EXTRA SUPPORT FOR OUR NEEDIEST DISTRICTS

- ✓ Funds lower class size for low-income students in all grades
- ✓ Delivers the largest share of new funds to districts furthest from adequacy
- ✓ Shifts more money to districts furthest from adequacy if state appropriation is below threshold
- ✓ Means tests so new dollars go to low-wealth districts with least capacity to increase adequacy locally
- ✓ Sunsets the CPS Block Grants so all districts are treated the same going forward
- ✓ Addresses CPS pension inequities over time
